Laptop Loan Application

Students who are facing difficulty in acquiring a laptop for academic use may apply for the Laptop Loan Program, a free-of-charge service for students who qualify. Laptops are available on a semester basis or for an entire academic year. The laptops meet SCCC's specifications, and come with applications such as Microsoft Office, anti-virus software, and Internet connectivity.

Criteria:
- The student must be a degree-seeking student at Sussex County Community College
- The student must be continuously enrolled during the term of the laptop loan
- The student must have demonstrated financial need that is not being met by some other means

Means of Selection:
Students who meet the above criteria will be awarded laptops on a first-come, first-served basis. If there are more eligible applicants than machines available, students not awarded laptops will be put on a waiting list. All SCCC students can access the Degree Up computer lab which is open Mon-Thurs from 9:00 am-9:00 pm and Fri 9:00 am-1:00 pm.
